COMPETITIVE CHEER COACHES

Coach Tionna has been cheering with Matawan-Aberdeen since 1996. She continued her career throughout high school & became cheer captain her senior year. She had the pleasure of being a part of MRHS' very first competitive stunt group which helped develop her skills and broaden her knowledge in stunting. With a strong passion for cheer & expert knowledge in stunting, Tionna began coaching cheerleading 2006. Being able to share her knowledge with the youth has been such a rewarding experience.

Kaylynn has 15 years of consecutive cheerleading experience. Starting from a young age Kaylynn has been a passionate cheerleader and continued to expand her experiences from Pop Warner in to competitive cheer. Competitive all-star cheerleading expanded her knowledge greatly, giving Kaylynn the tools necessary to rise to the top. Kaylynn had the honor becoming captain her junior and senior year for her high school team and established Matawan Regionals first stunt team with fellow coach Tionna Givens. Continuing to a division 1 college cheer team and an all-star open level team Kaylynn's skills only continued to grow. Kaylynn specializes in tumbling and stunting skills and is passionate about passing on her knowledge and love for the sport. As a second generation coach Kaylynn understands the requirements and experience that is needed to be a good motivating coach.

In 1993, at the young age of 5, Coach Tajah began dancing - ballet, jazz, tap, hip hop, and acro. She then began her cheerleading career with Matawan-Aberdeen Pop Warner in 1996. She pursued her cheerleading career all throughout high school - where she was able to combine her unique dancing skills with her remarkable cheerleading technique & was named Varsity Captain her senior year. Her passion for cheerleading brought her back into the Pop Warner organization as a coach in 2005 — where her talents, and years of experience & knowledge combined with her dynamic personality has been an asset to the organization as well as an influential factor in many of the young girls' lives.

Coach Dorese has always had a passion for dance. Starting at the early age of 3 she learned tap, ballet and jazz until high school where she brought her dance knowledge to Matawan Regional's cheerleading team.

Throughout high school Dorese took her dance skills to either the stage or the field, choreographing numerous dances and cheer routines for many extra curricular events. Senior year Dorese was named cheerleading captain. That year her and her teammates brought a unique style of cheerleading that Matawan fans has never seen.

Even after high school Dorese has coached many teams bringing her choreographing skills to every single one of them.
